GLOBALDOC BECOMES AN IBM BUSINESS PARTNER

Atlanta, USA, May 18, 2011 - GlobalDoc, Inc. is pleased to announce the company's acceptance as an IBM Business Partner through IBM's PartnerWorld program.

As a key translation services supplier to IBM since 2001, GlobalDoc has provided millions of dollars in translation services to IBM in multiple languages worldwide to support global IBM product and service initiatives.

To further GlobalDoc's supplier partnership with IBM, GlobalDoc has developed and implemented LangXpert®, a GlobalDoc proprietary software application designed to fully automate translation processes and procedures from an internal, client, and translator perspective. Included in LangXpert® is the ability to coordinate IBM's content management initiatives with IBM translation requirements worldwide. GlobalDoc will market and utilize LangXpert® within the IBM PartnerWorld program. LangXpert is also available to all GlobalDoc clients.

"GlobalDoc is very proud to have been accepted as an IBM Business Partner through our participation in the IBM PartnerWorld program", says Mike Cooper, CEO/President of GlobalDoc, Inc. "This technical enhancement will allow us to further automate and streamline our proven offerings by ensuring renewed focus on cost effective, high quality, and customer service driven approaches to translation services."

GlobalDoc provides professional translation services in all languages to a wide variety of corporate clients and industries. For more information about GlobalDoc and the services the company provides to IBM and all clients, please visit www.globaldoc.com.

ABOUT GLOBALDOC – GlobalDoc is the premier provider of translation and localization services for multinational companies all over the world. With operations in the US, UK and India, our proven ability for 20 years working within the translation industry allows GlobalDoc to help you succeed in the global environment.
