**GLOBALDOC ANNOUNCES LANGXPERT® TRADEMARK**

**Atlanta, USA, May 8, 2012** - Today, GlobalDoc, Inc. announced the U.S. Patent and Trademark Office ("PTO") has issued a trademark certificate of registration dated April 10, 2012 to GlobalDoc, Inc. for "LangXpert®." The trademark has been issued in conformance with PTO classes 35 and 42 whereby usage within both the translation and computer software services categories is recognized by the PTO.

In development since mid-2009, LangXpert® is an enterprise-level software application allowing internal and external users online access 24/7 to an automated system to manage workflow within GlobalDoc's translation processes and procedures. The software is utilized by GlobalDoc clients, employees, and translators worldwide. GlobalDoc has received extremely favorable client feedback especially in areas related to improved functionality and usability since beta launching LangXpert® in 2010. LangXpert® Release 1.0 was launched fully into production in September 2011.

LangXpert® Release 2.0 (R2.0) is planned for release in June 2012 whereby an application programming interface (API) to facilitate automation between LangXpert® and Stibo System's STEP 5.2 data management will be a key enhancement. This GlobalDoc API allows clients who utilize Stibo for corporate content management initiatives access to further automation related to global translation requirements whereby saving money, time, and enhancements to quality control and reporting within the translation process is recognized.

Founded in 1993, GlobalDoc, Inc. and its wholly-owned subsidiaries is a worldwide leader in translation services and technology-based language solutions. The company offers clients access to cost effective, customer service driven, high quality, global communications strategies and support in any language.
