**TOSHIBA GLOBAL COMMERCE SOLUTIONS
FURTHERS PARTNERSHIP WITH GLOBALDOC**

GlobalDoc's translations services and technology continue to help the company expand.

ATLANTA, GA, February 1, 2013 - GlobalDoc, Inc. has been retained to expand current worldwide marketing translation services to support Toshiba Global Commerce Solutions (TGCS) worldwide technical documentation translation requirements. In addition to continuing support for TGCS marketing translation needs, GlobalDoc was selected as the translation services provider for the TGCS Hardware Development and Life-Cycle Support group, providing translations for publications such as installation and service guides.

Toshiba Global Commerce Solutions, a Toshiba and IBM Company, is the leading supplier of point-of-sale systems with a worldwide install base larger than any three major competitors combined, Toshiba is committed to delivering innovative commerce solutions that transform checkout, provide seamless consumer interactions and optimize retail operations. With a global team of dedicated business partners, Toshiba provides end-to-end solutions, service, and support that help clients meet virtually any retail technology need. GlobalDoc will be supporting Toshiba Global Commerce Solutions with technical documentation translation services in any language worldwide utilizing GlobalDoc's cutting edge LangXpert software.

GlobalDoc is very pleased to announce this expanded partnership with Toshiba Global Commerce Solutions.

ABOUT GLOBALDOC – GlobalDoc is the premier provider of translation and localization services for multinational companies all over the world. With operations in the US, UK and India, our proven ability for 20 years working within the translation industry allows GlobalDoc to help you succeed in the global environment.
