## **GENUS CHOOSES GLOBALDOC**

**ATLANTA, GA, November 15, 2014** - GlobalDoc, Inc. is pleased to announce acceptance as a translation services supplier to Genus plc. In addition to general translation services, GlobalDoc has been selected to translate industry-specific terminology in a number of languages to support Genus' global presence. GlobalDoc's LangXpert automation program will be integral in the support of this new client's translation requirements.

Genus is a world leader in applying biotechnology to advance the science of animal breeding and genetic improvement. Genus applies its technology to all livestock species, in particular dairy, beef and pork, with a goal to scientifically breed the world's best pigs and bulls. Genus is headquartered in Basingstoke, UK and operates in over 25 countries on six continents. In addition, Genus also sells to customers in another 50 countries, through distribution partners.

GlobalDoc is very proud to have been selected to provide professional translation services to Genus plc.

**ABOUT GLOBALDOC** – GlobalDoc is the premier provider of translation and localization services for multinational companies all over the world. With operations in the US, UK and India, our proven ability for over 20 years working within the translation industry allows GlobalDoc to help clients succeed in the global business environment.
